

## Bingo Calling Card

<p><b>1</b> Use a microwave or even better a slow cooker if you live alone</p>	<p><b>11</b> You could save £hundreds a year by switching supplier</p>
<p><b>2</b> Did you know you can switch your supplier even if you have a debt of £500 if you have a PPM</p>	<p><b>12</b> If you're blinded by the sun – use it to dry your clothes not the tumble dryer!</p>
<p><b>3</b> Turn thermostat down by 1 degree can save you up to 10% off your fuel bill – could be as much as £75 a year</p>	<p><b>13</b> You can save up to £150 a year if you insulate</p>
<p><b>4</b> Make sure your TRV's are set correctly for each room</p>	<p><b>14</b> Make sure your fridge is <math>\frac{3}{4}</math> full for it to work efficiently</p>
<p><b>5</b> Reduce time in the shower for a lower fuel bill</p>	<p><b>15</b> Closing internal doors can save you up to £21.00 per year</p>
<p><b>6</b> Love your boiler and keep it serviced every year</p>	<p><b>16</b> You can save £13 a year if you fix dripping taps</p>
<p><b>7</b> Low energy light bulbs last 10 times longer than ordinary bulbs and can save between £30 / £70 a year</p>	<p><b>17</b> Have you registered for Priority Services Register</p>
<p><b>8</b> Boiling only the water you need is the key and can save you £8 a year</p>	<p><b>18</b> Are you entitled to Warm Home Discount rebate - £140.00</p>
<p><b>9</b> Appliances left on standby can cost you from £50 to £80 a year</p>	<p><b>19</b> Don't use radiators to dry clothes - boiler use's more energy and it's not healthy. Radiator foils are easy to fix and help you to reflect heat back into the room</p>
<p><b>10</b> Try to wash clothes at 30 degrees C – it can save you £13 a year but don't forget bedding / towels should always be done on a boil wash</p>	<p><b>20</b> Draughtproofing can save you up to £30 annually</p>
